Dear Potential Sponsor,

4 Paws Rescue, Inc. is a not-for-profit organization dedicated to the well-being of stray, abandoned, and neglected dogs of Lincoln Parish and surrounding areas. We strive to end euthanasia by requiring all adopted animals to be spayed or neutered. We provide community education strongly advocating spaying and neutering, heartworm prevention, and responsible pet ownership. Our mission is to make sure our rescued animals are placed in loving and caring homes. Until that time we offer these precious creatures love, shelter, and care. We are here for them "until they all have a home".

4 Paws takes in about 365 dogs every year (at least one per day), with about 349 being adopted each year. However, over the past 12 months the cost of dog food, supplies, gasoline and utilities has nearly doubled. Families are no longer able to afford the necessities that come with pet ownership and are having to surrender their pets at an increasing rate. Along with this, Ouachita Parish Animal Shelter (located in our neighboring parish) has stopped accepting animals from other parishes causing a massive increase in the population of stray dogs in our area, due to lack of other nearby shelters.

What does this mean for 4 Paws? Our shelter is taking in more dogs than ever, with far fewer dogs being adopted. We are currently housing over 70 dogs and are quickly approaching mass capacity. Due to the increase in operating and supply costs, we are now having to turn dogs away unless it is an emergency situation. 4 Paws relies solely on donations, and although our costs have increased, our donations have not. Over the past 12 months, we have been spending \$5,000 more than we are taking in each month.

We are currently seeking sponsors, to help us return to a more sustainable budget and keep our dogs housed for as long a possible. We would love to partner with you, and our pups will greatly cherish your contributions. On the next page you will find more details on our sponsorship options. Thank you for giving rescue a chance.

Sincerely,

4 Paws Rescue Inc.
